

Sneinton St Stephen's C of E Primary School

Pupil Premium

The Pupil Premium is an allocation of additional funding provided to schools to support specific groups of children who are vulnerable to possible underachievement. These include pupils who are entitled to free school meals, those looked after by the local authority and the children of armed service personnel.

All schools are required to report on the amount of funding received and how this is being used.

We currently use the additional funding in the following ways:

- To provide short-term intervention programmes for underachieving pupils and those with SEN.
- To provide one-to-one tuition for some pupils.
- School trips, extracurricular activities and books to promote reading and to fund other opportunities to boost learning.
- Additional individual or small group tuition programmes for those children on Free School Meals who need a boost to their learning in order to reach their potential; for example small group reading, writing or maths tuition.
- To support the cost of employing a Learning Mentor to work to support pupils to overcome barriers to learning.
- To support children's learning in the classroom by ensuring that class sizes are as low as possible.
- Ensuring that the children who qualify for free school meals have their needs clearly identified and their progress closely monitored through school.
- Supporting further intervention in learning when this would help a Free School Meals child reach their potential.
- To support the cost of a nonteaching inclusion lead

2012/13

As a converter academy from January 2013 to August 2013 we received £44052 in Pupil Premium funding. The main outcomes of this additional funding were as follows:

- 92% of the eligible pupils in Year 6 achieved Level 4 in mathematics, 62% in reading and 77% in writing
- 100% made expected progress in maths, 92% achieved expected progress in writing and 67% in reading.
- A range of 'qualitative data' shows the specific skills and knowledge gains made by individual pupils through the extra support received.
- Additional intervention support was also made available to a range of other underachieving or SEN pupils.

2013/14

From September 2013 to August 2014 we will receive £85075 in Pupil Premium Funding.
