LOCAL TRIP PERMISSION

As part of our enriched curriculum, we often take the children on visits within the local community or within walking distance of the school. These visits may include local places of worship, swimming, ice skating, local sporting events at partner schools or trips to the cinema.

We are requesting permission to take your child on local visits without further written consent throughout the academic year. Class teachers will always inform parents/carers in advance of planned local visits.

However, permission will still be requested for those visits outside of the local area or across the city centre.

☐ I give permission for _____ to leave the school premises under the supervision of a school member of staff. I understand that I am consenting to local visits which do not incur expense.

☐ I do not give permission for _____ to attend local visits without further consent.
