

Safeguarding Information For Children

TOGETHER WE CAN ACHIEVE

Be kind to one another and build each other up. 1 Thess 5:11

What is Safeguarding?

- Safeguarding means **protecting** the **health, wellbeing and human rights** of every **person**.
- A safeguarding policy is something every school has **to keep every child safe and happy**.
- We want to make sure all children in our school **feel safe** at school and at home.
- We want to **teach you** what to do if you are **worried, upset or do not feel safe**, at home and at school.

What should I do if I don't feel safe?

Talk to an adult
you trust.

Write or draw your worry
and share it with an adult.

Tell a friend you
trust to share
your worry with
